Enhancing the existing scale of fees levied on out-patients in Hospitals and Dispensaries in the Cities of Bangalore, Mysore and Kolar Gold Fields from ~~Rs. 0-2-0~~ to 0-4-0 and extending the scheme of the levy of fees to all the Dispensaries and Hospitals in all other District Headquarters Towns.

G.O. No. 3820-70/Med. 231-13-4, dated 26th November 1915, sanctioned the levy of a fee of 0-2-0 per day on each out-patient whose monthly income from all sources did not exceed Rs. 50/- resorting for Medical Relief to the Hospitals and Dispensaries in the Cities of Bangalore and Mysore temporarily for a period of three years with effect from 1st January 1916.

Later on in G.O.No. 1290-350/Med. 154-20-2, dated 6th September 1921 this levy was made permanent and extended to the Kolar Gold Fields also.

The Retrenchment Committee have proposed that the fee referred to above be doubled that children be charged half rate (viz. 0-2-0) and that the system of levying fees be extended to the Hospitals and Dispensaries at all other District Headquarters.

The Senior Surgeon has agreed with the recommendation of the Retrenchment Committee.

The following statement shows the income derived from these fees during the two previous years and the additional income expected by extending the scheme to the District Headquarters hospitals except Bangalore and Mysore.

5 There was recently an instance [in Municipal Municipality] in which the person elected as Municipal Vice President was not considered quite desirable. The Election Rules, do not prescribe any special qualification for candidates to the offices of the Presidents

Referral for consideration

and Vice Presidents. It is also desirable to keep out persons who have been removed from office of President or Vice President or who have resigned their seats from -- competing for office of President and Vice President. It is proposed to prescribe as in the case of City Municipal Election Rules *that* ~~that persons who have been removed~~ the election of Presidents and Vice Presidents in the case of District Boards and Town and Minor Municipal Councils should be made subject to the approval of Government ^{and} ~~or~~ to place some restrictions on persons removed from office or guilty of misconduct by making them ineligible for standing as candidates. The matter is referred to the Standing -- Committee for Local Self Government Scheme for an expression of their views.
